## CHARITIES WE SUPPORT

### THE RETREAT

---

The Retreat's mission is to provide safety, shelter and support for victims of domestic abuse and to break the cycle of family violence. In pursuit of that mission, The Retreat offers a full range of residential and nonresidential services: 24/7 domestic violence hotline (631.329.2200), individual and family counseling, legal services and advocacy, violence prevention education, crime victim assistance, a comprehensive fatherhood program, self-sufficiency and financial literacy training programs, rental assistance, and batterer education. Through collaborations we support victims living with mental illness, developmental disabilities, in foster care, and in substance abuse treatment.

### EAST END HOSPICE

---

East End Hospice is a New York State Certified Hospice, providing an individualized plan of care for patients, their families and loved ones throughout the difficult time of illness and loss in the comfort of their homes on the East End of Long Island. Since 1991, their team of skilled professionals and volunteers offer social, emotional, and spiritual support as well as pain and symptom control in a familiar and loving environment. No one is denied care due to the inability to pay. Their bereavement care services are offered throughout the East End community. The staff is extensively trained in grief therapy. East End Hospice also offers Camp Good Grief, a summer day-camp for children who have experienced a difficult loss. Camp Good Grief is a place where fun is mixed in with therapy, and skilled bereavement staff plan and lead each day intentionally with care.

### PHOENIX HOUSE WAINSCOTT RESIDENTIAL SERVICES

---

Since 1967, Phoenix Houses of the New York Region have helped thousands of people overcome substance and alcohol abuse in order to lead healthy, productive and rewarding lives. We are committed to supporting individuals and families by providing a wide range of services, from residential and outpatient treatment to continuing care and recovery support. Our specialized services include treatment for people with co-occurring disorders; veterans, military personnel, and their families; and medication-assisted treatment, including buprenorphine and suboxone. We operate five residential and outpatient facilities across Long Island. Our residential facility in Wainscott serves young men, ages 18 to 30, who are struggling with drug or alcohol addiction. We provide assessment, individual and group counseling, seminars, treatment for substance abuse and/or co-occurring mental health problems, case management, and discharge planning. Our East Hampton Outpatient Program serves adults with substance use disorders that do not warrant residential treatment. In some cases, clients may join our program after successfully transitioning from a residential addiction treatment setting. The center offers a warm, compassionate environment that empowers clients in their recovery.

## THE ELEANOR WHITMORE EARLY CHILDHOOD CENTER

---

Founded in 1969 as a Head Start organization, provides affordable high-quality education and childcare for 105 children ages 18 months to 4 years old from working families. More than 65% of the families we serve live in households of low/extremely low income. We are licensed by the New York State Office of Child & Family Services (OCFS) and are affiliated with the National Association for the Education of Young Children (NAEYC). The Center is open 10 hours each weekday, year-round. Our staff of certified teachers and caring assistants are bilingual and reflect the population we serve. We support the whole family through parent workshops, daily communication, and providing support and guidance in response to needs. We provided childcare during the pandemic for essential workers free of charge.

## OPPORTUNITY

### ❖ **Attraction**

The Artists Writers Softball Game (AW Game) is one of the longest running traditions in the Hamptons. 2026 will be the 78<sup>th</sup> year of this institution. Those that have participated are a “who’s who” of celebrated artists, writers, and celebrities. The event attracts a crowd of all ages, mainly geared toward families. Families come early to watch batting practice, get a chance to meet the players, and purchase merchandise and the fun family friendly festivities that are at the venue. The game is a proud tradition for the Village of East Hampton, NY at the height of the summer season, when the Hamptons are at maximum capacity.

### ❖ **Venue**

The recent reconstruction of Herrich Field, the centerpiece of activity in East Hampton shows the Hampton’s commitment to the game/event. There is bleacher seating down the baselines, a food court, kids-area, ticket/raffle/merchandise sales area, key sponsor tables, and photo opportunity areas.

### ❖ **Sponsorship Visibility**

Outfield Scoreboard with the space for a sponsor banner to go next to the scoreboard. It is central to all viewers of the game and will be a center of attention, as we have kids participate, from the crowd, to hang the scores each inning.

New for 2026 will be a banner placement opportunity over the Food Court area. This is the only area where food and drinks are available to spectators, so it gets a lot of traffic.

We will have banners placed on the outfield (left field) fence and prominent banners on the backstop.

Step and Repeat inclusion will be available on the sidelines that fans use as a backdrop for selfies.

Sponsor names on sleeves of players and shirts for sale.

Full-Color Ad included in program and in Dan’s Paper’s (the Hamptons most popular publication)
